

SNCC – Risk Assessment Doorstep Singing Sessions: one to one outdoor singing sessions

Name	SNCC Doorstep Singing Sessions		
Participant group:	SNCC members. SNCC Choir Leader.		
Session Day & time	Times, dates and venues to be arranged		
Assessed by:	Clare Pastorius	Date:	16/06/20

What is the hazard?	What is the risk? (what might go wrong)	What needs to be done?	By whom?	When do they need to do this?
Choir members and/or the choir leader may fall ill due to contracting or passing on the Covid-19 virus during the activity of 'doorstep singing'.	The choir leader and the choir member may inadvertently pass the virus through touch or droplets.	Care needs to be taken (see below) to avoid transmission of the virus.	Choir Leader and choir member	Before and during doorstep singing session
		Members should risk assess their own health to be well prior to the Doorstep Singing session i.e. normal temperature, no cough, good sense of taste and smell.		
		Only those who are not 'shielded' may have doorstep singing sessions.		
		Time and dates are by arrangement only		
		Sessions take place in front gardens or in back gardens where the choir leader can access the garden through a separate entrance or by going through the house without touching anything.		
		Doorstep sessions to happen at a social distance of 2m at all times.		
		Session to last no longer than an hour		
		Paper copies of words and music not to be exchanged.		
		Choir Leader to avoid touching surfaces, doors and crockery of choir member.		
		Both parties should ensure good hand hygiene before and after session and avoid body contact.		
		Both parties should cover their mouth if any inadvertent coughing or sneezing should occur.		
		Both parties should declare any symptoms before or after session and isolate as per gov.uk guidelines.
